

What is a **GROW** week?

The idea behind the "GROW" week can be summarized in two questions:

1. What is a Disciple?

"GROW Week" is a Sunday where you have the opportunity to be a doer of the Word and not just hearer of the Word. As scripture teaches us, "faith without works is dead." Therefore, a disciple is one who not only trains in knowledge, but leads through self-sacrificial love. Are you a disciple?

2. What does it mean to be a "member" of the Church?

"What did you think of the worship?" "How was the sermon?" "I don't like how they do that." Have you become a church consumer instead of a church member? If you have, then these questions may be commonplace to you, but this is never how Christ intended the Church to be. "Now you are the body of Christ, and individual members of it" (I Cor. 12:27). As a functioning member, will you... Give? Serve? Minister? Evangelize? Study? Seek to be a blessing to others? Be a source of unity in the Church?

Patterson Park desires to equip you, so that you will be able to minister in the unique ways that God has gifted you within the opportunities God has provided for you.

"GROW Week" Opportunities: Greeter, coffee bar, ushers, tech team, children's ministry, special connections, nursery, etc...

SUNDAY MORNING HIGH SCHOOL **GROU**PS

3rd Quarter

Jan. 10th—Mar. 20th

"...to train Christ's followers in skilled servant work, working within Christ's body, the church, until we're all moving rhythmically and easily with each other, efficient and graceful in response to God's Son, fully mature adults, fully developed within and without, fully alive like Christ." (msg)

Ephesians 4:12-13

If someone asked you the following questions, how would you answer?

- Is the Bible about transformation or behavior modification?
- How does the whole Bible reveal God's plan of redemption through Jesus Christ?
- What are the main theological doctrines of the Christian faith?
- What is the mission of a Christ follower?

The Gospel Project is great for "Church-Kids" that need to see the Bible with fresh eyes or students newer in their faith.

For those who want to dig deeper. Optional workbook available for \$5.

Room: Old Kitchen Room

You may be afraid to speak about spiritual things because they often lead to hard questions. Through the power of Christ, you can be confident, know how to respond, and run toward answering hard questions instead of avoiding them.

- How can God be real?
- Didn't evolution put God out of a job?
- Why trust the Bible, a book written by men?
- How could a good God allow so much evil, pain and suffering?
- Why condemn homosexuality when God created everyone and loves everyone?
- Why should I think that Heaven and hell really exist?

This group is designed to challenge and equip, not just inform. Come ready to interact.

Room: 217 A

What is my story? How do I articulate the Gospel? How do I share my story? How do I have Gospel conversations? What does "time with God" look like? What is discipleship, and how do I do it?

Goals~

- Recognize that you were once dead and now are made alive in Christ.
- Articulate the Gospel by sharing your story.
- Learn and practice tools for Gospel conversations.
- Make a biblical case for discipleship.
- Set discipleship goals.

This group is designed to challenge and equip, not just inform. Come ready to interact.

Room: 217 B

Class sessions last 8 weeks. Groups will rotate to the next series topic for the next session. Visitors may join in any class rotation of their choosing.
